Shows You How & Makes It Happen

Who Am I?

**Where Am I
Going?**

**How Do I
Get There?**

Discover

- Assess your skills, interests, and values
- Know yourself – and you will search for jobs more successfully

Explore

- Check out occupations that suit you
- Learn about the salaries, skills, and opportunities for hundreds of occupations
- Investigate the amount and type of education and training you need – find out where you can get it and how to pay for it

Plan

- Base your goals on your strengths, skills, and needs
- Set a strategy to find your perfect job
- Put it together – what to do, where to go, how to get there

Create

- Write the perfect resumé ... one that employers will read and like
- Develop a financial plan to meet your lifestyle needs

Succeed

- Get the education you need ... find the job you want
- Open your mind to career possibilities you never envisioned
